

Raising Aspirations

The year seven Raising Aspirations trip to the Royal Agricultural University trip has just left the building. Aiming to return with students who are even more motivated and inspired to succeed at school.

Mrs Matyla

Visit from German Partner School

Today we were visited by our German partner school, Helmholtz-Gymnasium in Zweibruecken. German and English students took part in a morning of activities together: learning some Italian with Miss Schlatte and introducing our visitors to rounders with Mr Needham. We also had an English-style 'Kaffee und Kuchen' to break up the day. Many thanks for everyone's support and particularly to Ms Burnett, who organised the day!

Miss Schlatte
Head of Foreign Languages
